Interview Preparation Techniques and Common Interview Questions

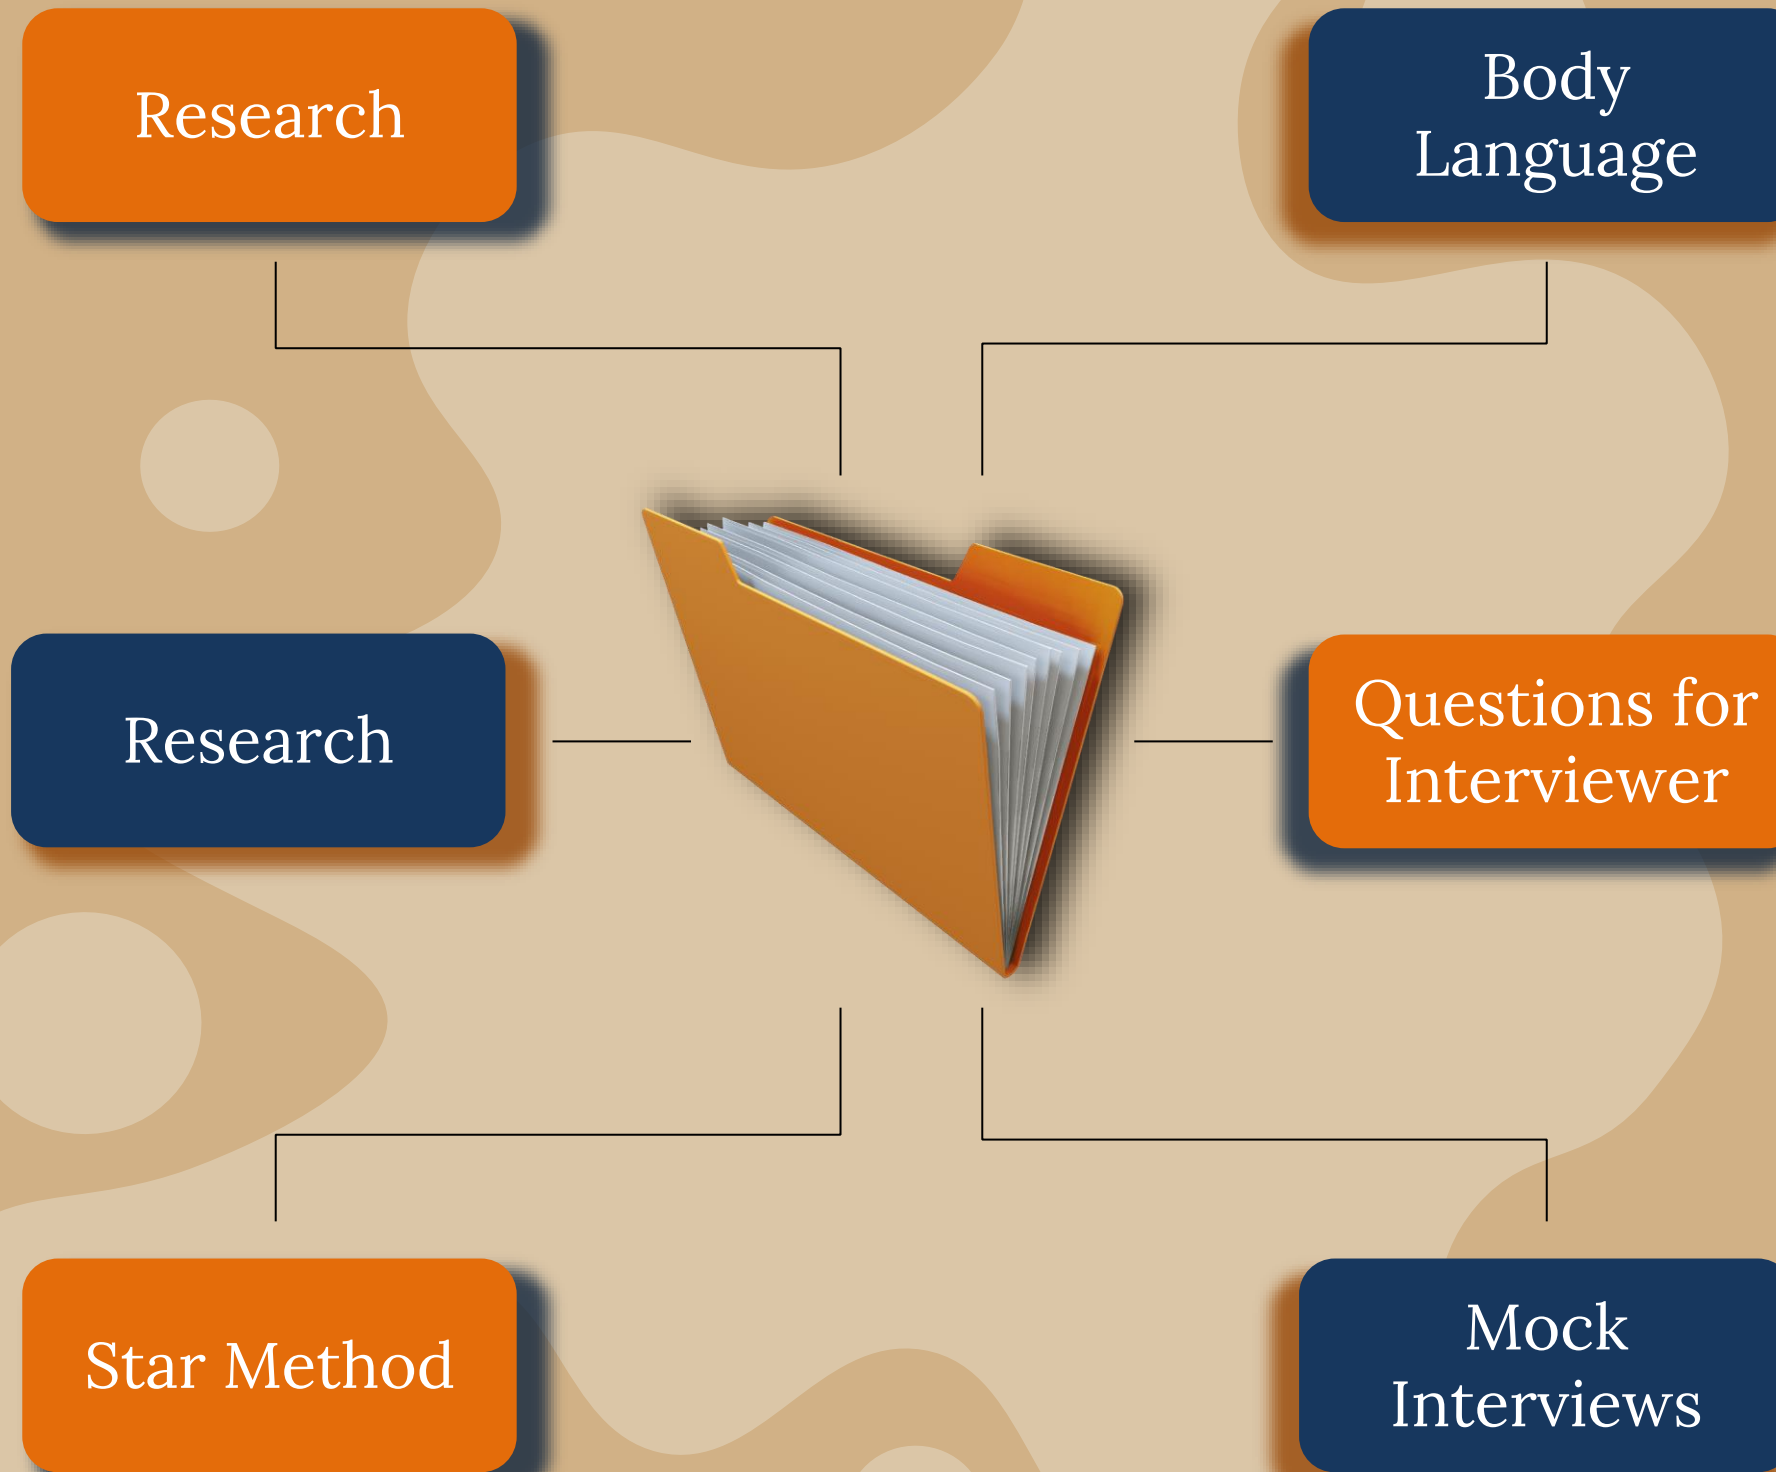

Format

Thoroughly research the company, its culture, products/services, and recent news. Familiarize yourself with the job description and requirements.

Practice answering common interview questions, such as "Tell me about yourself". Practice articulating your responses confidently and concisely.

Prepare examples using the STAR method (Situation, Task, Action, Result) to illustrate your skills and experiences in a structured format.

Pay attention to your body language and non-verbal cues during the interview. Maintain eye contact, sit up straight, and demonstrate confidence

Prepare insightful questions to ask the interviewer about the company, team dynamics, growth opportunities, and expectations for the role.

Conduct mock interviews with a friend, mentor, or career advisor to simulate the interview experience and receive constructive feedback.
